## **Corps reviews permit application from Leslie Wood for extension of existing docks in the Pend Oreille River**

**WALLA WALLA, Wash.** – The U.S. Army Corps of Engineers is reviewing an application requesting a Department of the Army permit for certain work in waters of the United States. The public notice regarding the permit application listed here was issued during the week of April 14, 2008.

Public Notice 19940100910 describes Ms. Leslie Wood's proposed extension of two existing docks and placement of a mooring buoy. The project is located in the Pend Oreille River, Bonner County, Idaho. Comments must be received by May 8, 2008. A copy of the public notice may be found at <http://www.nww.usace.army.mil/html/offices/op/rf/pn/pn.htm>.

The Corps of Engineers is soliciting comments from the public, federal, state and local agencies, Native American tribes and other interested parties on these permit requests.

The Corps issues or denies permits for the discharge of dredged or fill material into waters of the United States under authority of Section 404 of the Clean Water Act and for work in or affecting navigable waters of the U.S. under Section 10 of the Rivers and Harbors Act of 1899.
